

GEMS TRADING POST

How it works in six easy steps:

1. Find a COOL artifact from nature
2. Research about it and write a PAPER explaining what it is and how it fits into a natural system
3. Set up an appointment with a Trading Post Ranger to create an account and review YOUR research
4. Earn points for your artifacts and knowledge (More points are awarded for scarcity of artifacts and depth of research)
5. Spend or save up your points for other artifacts you see at the Trading Post!▼
6. Start again at Step 1...
